

Solar street light

Picture	Item NO.	LED lamp	Solar panel	Battery	Controller	Pole	Warranty	Remarks
	TR-STR001-24W	12V24W 26lux/4M 5500K	17.5V30W monocrystalline 17%Conversion efficiency	12V55AH deep recycles lead-acid storage battery	12V10A solar charge controller	4m high,steel, with galvanizing treatment	led lamp: 5 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR001-48W	12V48W 28lux/6M 5500K	17.5V60W monocrystalline 17%Conversion efficiency	12V100AH deep recycles lead-acid storage battery	12V10A solar charge controller	6m high,steel, with galvanizing treatment	led lamp: 5 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR001-96W	24V96W 23lux/8M 5500K	35V100W monocrystalline 17%Conversion efficiency	24V100AH deep recycles lead-acid storage battery	24V10A solar charge controller	8m high,steel, with galvanizing treatment	led lamp: 5 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR002-28W	12V28W 20lux/5M 5500K	17.5V50W monocrystalline 17%Conversion efficiency	12V80AH deep recycles lead-acid storage battery	12V10A solar charge controller	5m high,steel, with galvanizing treatment	led lamp: 3 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR002-48W	12V48W 22lux/6M 5500K	17.5V60W monocrystalline 17%Conversion efficiency	12V100AH deep recycles lead-acid storage battery	12V10A solar charge controller	6m high,steel, with galvanizing treatment	led lamp: 3 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR003-48W	12V48W 22lux/7M 5500K	17.5V65W monocrystalline 17%Conversion efficiency	12V120AH deep recycles lead-acid storage battery	12V10A solar charge controller	7m high,steel, with galvanizing treatment	led lamp: 5 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR003-96W	24V96W 25lux/9M 5500K	35V120W monocrystalline 17%Conversion efficiency	24V120AH deep recycles lead-acid storage battery	24V10A solar charge controller	9m high,steel, with galvanizing treatment	led lamp: 5 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR004-80W	24V80W 20lux/8M 5500K	35V120W monocrystalline 17%Conversion efficiency	24V120AH deep recycles lead-acid storage battery	24V10A solar charge controller	8m high,steel, with galvanizing treatment	led lamp: 3 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR004-100W	12V100W 20lux/10M 5500K	35V150W monocrystalline 17%Conversion efficiency	12V150AH deep recycles lead-acid storage battery	24V10A solar charge controller	10m high,steel, with galvanizing treatment	led lamp: 3 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR004-120W	24V120W 20lux/12M 5500K	35V180W monocrystalline 17%Conversion efficiency	24V200AH deep recycles lead-acid storage battery	24V10A solar charge controller	12m high,steel, with galvanizing treatment	led lamp: 3 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR005-60W	24V60W 25lux/7M 5500K	35V90W monocrystalline 17%Conversion efficiency	24V80AH deep recycles lead-acid storage battery	24V10A solar charge controller	7m high,steel, with galvanizing treatment	led lamp: 3 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR005-80W	12V80W 25lux/9M 5500K	35V120W monocrystalline 17%Conversion efficiency	24V120AH deep recycles lead-acid storage battery	24V10A solar charge controller	9m high,steel, with galvanizing treatment	led lamp: 3 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR006-40W	12V40W 20lux/6M 5500K	17.5V60W monocrystalline 17%Conversion efficiency	12V100AH deep recycles lead-acid storage battery	12V10A solar charge controller	6m high,steel, with galvanizing treatment	led lamp: 3 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
	TR-STR006-50W	12V50W 20lux/7M 5500K	17.5V65W monocrystalline 17%Conversion efficiency	12V120AH deep recycles lead-acid storage battery	12V10A solar charge controller	7m high,steel, with galvanizing treatment	led lamp: 3 years panel: 10 years battery: 3 years controller:2 years	With Pole Without pole
Remarks: Sample Delivery time: 7 to 15 working days Monthly Output: 500 sets Solar Radiation Re.: 6kWh/m ² /d Lamp working Duration: 8hr/d, 3 continued overcast & raining days Trade Term: FOB NINGBO Payment: 30% T/T in advance, The balance before shipment				Contact : Mr Robin Xu Deqing tongrui construction co.,Ltd Tel: 0086-572-8320808 Fax: 0086-572-8086617 Mail: tongchemxhb@yahoo.com.cn Msn: tongchemxhb@hotmail.com Website: www.constructions-industry.com
